**Update on Capital Needs for Redding Schools and Presentation to Board of Finance:**

The Committee conducted an extensive review of the presentation document. Modifications were made to reflect updated cost projections based on information provided by industry professionals. In particular, the RES asbestos tile abatement bid received was higher than original estimates. However, it was determined that the fireproofing in the ceiling of the west wing is not asbestos and will not require abatement. This significantly reduces the scope of the project resulting in lower than anticipated cost projections. The Redding Board of Education 2010-2011 Capital Budget Request will be presented to the Board of Finance on Wednesday April 7, 2010 at 7:30 in the Town Hall Meeting Room.

Adjournment: 7:38 p.m.

**Next Meeting: April 7, 2010 Board of Finance Meeting**

Respectfully submitted,

Mike D'Agostino, Facilities Planning Committee Secretary
