Public Comment at the meeting provides an opportunity for Redding and Easton residents to make comments to the board about items listed on the agenda or about an unrelated issue or concern. Residents are asked to give their name and address at the beginning of their comments and to limit their comments to three minutes. The board chair, with the assistance of the secretary, will record all comments and questions posed by the public and direct them to the appropriate committee chair or administrator to address during his/her report. The goal of Public Comment is to encourage public communication with the board and to provide accurate, timely information to the public pertaining to Region 9 matters.
