**Discussion and Possible Action on Proposed Changes to the 2011-2012 School Calendar**

Dr. Cicchetti presented a grid of proposed changes to the 2011-12 school calendar. Two of the changes have already been implemented with the 2010-11 calendar: (1) reassign the August 26, 2011, teacher workday for Easton and Redding to a K-8 professional development day on Friday, October 7 and (2) move the floating January intersession day to a permanent K-8 professional development day on Friday, January 13, 2011, for the Easton and Redding School Districts.

Committee members supported making the last school day a half-day for students; December 23 will remain a full day.

The following proposed language will be added to the 2011-12 calendar:

*Additional days will be added to the end of the school year for emergency closings up to and including Friday, June 22. Any additional days will be taken in the following order:*

*April vacation, beginning with Monday, April 16*

*February vacation, beginning with Tuesday, February 21*

*June 25-29*

Committee members asked Dr. Cicchetti to schedule this item on the May Board of Education meeting agendas.

The meeting was adjourned at 7:33 PM.

Respectfully submitted,

Michael Cicchetti, Superintendent  
Easton, Redding, Region 9 School Districts
