

ER9 WELLNESS ADVISORY COMMITTEE MEETING
MINUTES – MEETING MAY 26, 2010

Present: M. Basak-Smith; M. Bon Tempo; L. Bunce; C. Downey; D. Hartline; N. Kaldawy; S. Kaplan; M. Mas

PUBLIC: No members of the public attended.

The meeting was called to order at 1:35 p.m.

TIME FOR LYME – CURRICULUM PROGRAM ON LYME DISEASE

The ER9 Wellness Advisory Committee met to review and discuss a curriculum based on Lyme disease for possible adoption in grades K, 3, 6, and 9. Members of the ER9 Health Curriculum Committee were also invited to attend. Russell Cornelius of Time for Lyme, Inc. presented this easy-to-implement curriculum designed for the specific grade levels. The purpose of the curriculum is to inform students about Lyme disease and other tick-borne illnesses. The curriculum is offered at no cost to the district. Future plans include sharing the curriculum with members of ER9 K-12 Health Curriculum Committee before the start of the new academic year. Additionally, information related to Lyme disease will be posted on the ER9 Web site.

ADJOURNMENT

The meeting was adjourned at 2:50 p.m.

NEXT MEETING

This was the final meeting of the ER9 Wellness Advisory Committee for the 2009-2010 school year. The schedule for the next school year will be released in September, 2010.
