SUPERFOOD OF THE MONTH: LOW FAT YOGURT!

Rainbow Fruit Kabobs with Cinnamon Yogurt Dipping Sauce

(Yields 24 servings)

Cinnamon Yogurt Dipping Sauce

Ingredients:

- 1 cup plain yogurt
- 2 tsp. brown sugar
- $\frac{1}{4}$ tsp. vanilla extract
- $\frac{1}{4}$ tsp. ground cinnamon

Procedure:

Mix the yogurt, brown sugar, vanilla extract and ground cinnamon together. Stir until completely combined.

Rainbow Kabobs

Ingredients:

- 1 pint fresh raspberries
- 1 cantaloupe, scooped into melon balls
- 1 pineapple, peeled, cored and cubed
- 3 kiwi fruits, peeled and sliced
- 1 pint fresh blueberries

Procedure:

Alternating the fruits, thread them onto a 6 inch bamboo skewer. Serve the skewers alongside a bowl of the cinnamon yogurt dipping sauce.

You can try plain low fat yogurt instead of sour cream as a tangy topping for tacos or nachos!

Low fat yogurt is an excellent source of protein and calcium, which you need to build strong bones and teeth.
