Otherwise Lawful Possession of Firearms on School Property

Notwithstanding the otherwise lawful possession of firearms defined in Section 53a-3, (“any sawed off shotgun, machine gun, rifle, shotgun, pistol, revolver or other weapon, whether loaded or unloaded from which a shot may be discharged”) in or on the real property comprising school district property by persons who hold a valid state or local permit to carry a firearm and would otherwise legally traverse school property with an unloaded firearm for the purpose of gaining access to public or private lands open to hunting or for other lawful purposes, such entry onto school property by these persons for these purposes is prohibited by the Board of Education.

The issuance of a permit to carry a pistol, revolver or other firearms does not authorize the possession or carrying of a pistol, revolver or other firearms on school district property. The Board of Education prohibits such possession on school district property.

The Board of Education may employ or enter into an agreement for public school security services with a firearm, as defined in state law, only with a sworn member of a local police department, a retired state or local police officer, or retired federal law enforcement agents and retired police officers from an out-of-state police department.

A motor vehicle inspector, designated under section C.G.S. 14-8 and certified pursuant to C.G.S. 7-294d, while engaged in the performance of such motor vehicle inspector’s official duties may carry weapons on school grounds, effective October 1, 2016.

Students are prohibited by the Board of Education from possessing firearms for any reason, whether otherwise lawful or not, in or on the real property comprising the public or private elementary or secondary school or at a school sponsored activity as defined in Subsection (h) of Section 10-233a.
