School Calendar

The School calendar shall show the beginning and tentative ending date of school, legal and local holidays, meeting days, number of teaching days, vacation days, local CEU days and other pertinent dates for the school district.

Except for those holidays that occur in December and January, the Board of Education may operate schools on state holidays providing suitable nonsectarian educational program is held to observe the holiday.

The Superintendent of Schools will recommend to the Tri-Board a common school calendar that will meet the requirements of the law as well as the needs of the community, students and staff members.
