

## **Instruction**

### **Basic Instructional Program**

The basic instructional program will include all courses of instruction required by the State Department of Education and Connecticut General Statutes, as well as other courses and programs which the Board of Education may determine to be beneficial to the students of this school district. This basic instructional program must be designed to provide an integrated course of study as well as the flexibility to meet individual needs at each stage of development.

Policy adopted: February 11, 1997
