Children of Non-resident Teachers: Enrollment in Easton Public Schools
(continued)

The enrollment of children of non-resident certified staff employed by Regional School District #9 in Easton Public Schools is contingent on the enforcement of a reciprocal policy of Regional School District #9 that permits the enrollment of children of non-resident certified staff employed by the Easton School District at Joel Barlow High School, subject to conditions set forth by Regional School District #9 either in policy or in the Agreement between the Board of Education of Regional School District #9 and the Joel Barlow Education Association.

Policy adopted: October 12, 2004
Policy revised: June 12, 2007
