Vandalism

The School District will take all legal measures necessary to recover damages for all vandalism committed against school district property. This includes pursuing all legal avenues open in each particular instance, both criminal and civil.

Vandalism by Minors

The parent or guardian of any minor/unemancipated child who willfully cuts, defaces or otherwise injures in any way any property real or personal, belonging to the school district shall be held liable for all such damages up to the maximum amount allowed under state law. Injury shall include intentional unauthorized modifications made to computer hardware and/or software.

The liability provided under Connecticut General Statutes 52-572 does not relieve the minor(s) of personal liability for such damage or injury. This liability of the parent for damages done by a minor child is in addition to any other liability which exists in law. Liability shall include all costs incurred to remedy the situation.

The parent or guardian of a minor child shall also be held liable for all property belonging to the school system lent to the student and not returned upon demand of the school system. The student may also be subject to disciplinary action.

Vandalism by an Adult Student

An adult student shall be held personally liable for any damage done to any property, real or personal, belonging to the school district. An adult student will be held liable for all property belonging to the school system and lent to the student and not returned on demand of the school district. The student may also be subject to disciplinary action, for either situation.

Theft

Any and all thefts are to be reported to the administration immediately. The school district does not assume liability for lost or stolen items.
