I. Definitions (continued)

- E. **In-School Suspension** means an exclusion from regular classroom activity for no more than ten (10) consecutive school days, but not exclusion from school, provided such exclusion shall not extend beyond the end of the school year in which such in-school suspension was imposed. No student shall be placed on in-school suspension more than fifteen (15) times or a total of fifty (50) days in one school year, whichever results in fewer days of exclusion.
- F. **Suspension** means the exclusion of a student from school and/or transportation services for not more than ten (10) consecutive school days, provided such suspension shall not extend beyond the end of the school year in which such suspension is imposed; and further provided no student shall be suspended more than ten (10) times or a total of fifty (50) days in one school year, whichever results in fewer days of exclusion, unless such student is granted a formal hearing as provided below. All suspensions shall be in-school suspensions unless the administration determines for any student enrolled in grades three through eight, inclusive, that (1) the student being suspended poses such a danger to persons or property or such a disruption of the educational process that the student shall be excluded from school during the period of suspension or (2) that an out-of-school suspension is appropriate based on evidence of previous disciplinary problems that have led to suspensions or expulsion of the student and efforts by the administration to address such disciplinary problems through means other than out-of-school suspension or expulsion, including positive support strategies.
- A student enrolled in grades preschool to two, inclusive, may be given an out-of-school suspension if it is determined by the administration that such a suspension is appropriate based on evidence that the student's conduct on school grounds is of a violent or sexual nature that endangers persons. In addition, a person's duty as a mandated reporter to report suspected child abuse or neglect is not limited by this section.
- G. **Expulsion** means the exclusion of a student, grades three to eight inclusive, from school privileges for more than ten (10) consecutive school days. The expulsion period may not extend beyond one calendar year.

II. Scope of the Student Discipline Policy

A. Conduct on School Grounds or at a School-Sponsored Activity:

Students may be disciplined for conduct on school grounds or at any school-sponsored activity that endangers persons or property, is seriously disruptive of the educational process, or that violates a publicized policy of the Board.

IV. Procedures Governing Removal

A student may be removed from class by a teacher or administrator if he/she deliberately causes a serious disruption of the educational process. When a student is removed, the teacher must send him/her to a designated area and notify the Principal/Head of School or his/her designee at once. A student may not be removed from class more than six times in one school year nor more than twice in one week unless the student is referred to the building Principal/Head of School or designee and granted an informal hearing at which the student should be informed of the reasons for the disciplinary action and given an opportunity to explain the situation.

V. Procedures Governing Suspension

A. The Principal/Head of School of a school, or designee on the administrative staff of the school, shall have the right to suspend any student for breach of conduct as noted in Section II of this policy for not more than ten (10) consecutive school days. All suspensions shall be in-school suspensions unless the administration determines that for a student enrolled in grades three through eight, (1) the student being suspended poses such a danger to persons or property or such a disruption of the educational process that the student shall be excluded from school during the period of suspension or (2) that an out-of-school suspension is appropriate based on evidence of previous disciplinary problems that have led to suspensions or expulsion of the student and efforts by the administration to address such disciplinary problems through means other than out-of-school suspension or expulsion, including positive support strategies.

An out-of-school suspension may be given to a student enrolled in grades preschool through grade two, inclusive, if it is determined by the administration that an out-of-school suspension is appropriate due to evidence that the student's conduct on school grounds is of a violent nature or sexual nature that endangers persons.

In such cases, the following procedures shall be followed:

1. Unless an emergency situation exists, no student shall be suspended prior to having an informal hearing before the Principal/Head of School or designee at which the student is informed of the charges and given an opportunity to respond. In the event of an emergency, the informal hearing shall be held as soon after the suspension as possible.

Students

Conduct and Discipline

V. Procedures Governing Suspension (continued)

2. Evidence of past disciplinary problems which have led to removal from a classroom, suspension, or expulsion of a student who is the subject of an informal hearing may be received by the Principal/Head of School, but only considered in the determination of the length of suspensions.
3. By telephone, the Principal/Head of School or designee shall notify the parent or guardian of a student and the Superintendent of Schools not later than 24 hours of the suspension following the suspension and state the cause(s) leading to the suspension.
4. Whether or not home contact is made with the parent or guardian of such student, the Principal/Head of School or designee shall forward a letter promptly to such parent or guardian to the last address reported on school records (or to a newer address if known by the Principal/Head of School or designee), offering the parent or guardian an opportunity for a conference to discuss same.
5. Notice of the original suspension shall be transmitted by the Principal or designee to the Superintendent of Schools or designee by the close of the school day following the commencement of the suspension.
6. The student shall be allowed to complete any classwork, including examinations, without penalty, which he or she missed while under suspension.
7. Notice of the suspension shall be recorded in the student's cumulative educational record. Such notice shall be expunged from the cumulative educational record by the Board if the student graduates from high school.
8. The decision of the Principal/Head of School or designee with regard to disciplinary actions up to and including suspensions shall be final.
9. For any student who is suspended for the first time and who has never been expelled, the school administration may shorten the length of or waive the suspension period if the student successfully completes an administration-specified program and meets any other administration-required conditions. Such program shall be at no expense to the student or his/her parents/guardians.

Students

Conduct and Discipline

V. Procedures Governing Suspension (continued)

- B. In cases where the student has already been suspended, or such suspension will result in the student's being suspended, more than ten (10) times or fifty (50) days in a school year, whichever results in fewer days of exclusion, the student shall, prior to suspension, be granted a formal hearing before the Board of Education. The Principal/Head of School or designee shall report the student to the Superintendent or designee and request a formal Board hearing.

VI. Procedures Governing In-School Suspension

- A. The Principal/Head of School or designee may impose in-school suspension in cases where a student's conduct endangers persons or property, violates school policy, seriously disrupts the educational process or in other appropriate circumstances as determined by the Principal/Head of School or designee. Guidelines developed and promulgated by the Commissioner of Education will be utilized by the administration to help determine whether a student should receive an in-school or out-of-school suspension.
- B. In-school suspension may not be imposed on a student without an informal hearing by the building Principal/Head of School or designee.
- C. In-school suspensions may be served in any school under the Board's jurisdiction.
- D. No student shall be placed on in-school suspension more than fifteen (15) times or a total of fifty (50) days in one school year, whichever results in fewer days of exclusion.

VII. Expulsion Recommendation Procedure

- A. A Principal/Head of School may consider recommendation or expulsion of a student enrolled in grades three through eight, inclusive, in a case where he/she has reason to believe the student has engaged in conduct described at sections IIA. And IIB., above.
- B. A Principal/Head of School must recommend expulsion proceedings in all cases against any student in grades preschool through grade eight, inclusive, whom the administration has reason to believe:

VIII. Expulsion Hearing Procedure

D. Hearing Procedures (continued)

3. Formal rules of evidence will not be followed. The Board has the right to accept hearsay and other evidence if it deems that evidence relevant or material to its determination. The presiding officer will rule on testimony or evidence as to it being immaterial or irrelevant.
4. The hearing will be conducted in two parts. In the first part of the hearing, the Board will receive and consider evidence regarding the conduct alleged by the administration.
5. In the first part of the hearing, the charges will be introduced into the record by the Superintendent or his/her designee.
6. Each witness for the administration will be called and sworn. After a witness has finished testifying, he/she will be subject to cross-examination by the opposite party or his/her legal counsel and by Board members.
7. After the Administration has presented its case, the student will be asked if he/she has any witnesses or evidence to present. If so, the witnesses will be sworn, will testify, and will be subject to cross examination and to questioning by the Board. The student may also choose to make a statement at this time. If the student chooses to make a statement, he or she will be sworn and subject to cross examination and questioning by the Board. 8. In cases where the respondent has denied the allegation, the Board must determine whether the respondent committed the offense(s) as charged by the Superintendent.
9. If the Board determines that the student has committed the conduct as alleged, then the Board shall proceed with the second portion of the hearing, during which the Board will receive and consider evidence regarding the length and conditions of expulsion.
10. When considering the length and conditions of expulsion, the Board may review the student's attendance, academic and past disciplinary records. The Superintendent will make a recommendation as to the discipline to be imposed.
11. Evidence of past disciplinary problems which have led to removal from a classroom, suspension or expulsion of a student being considered for expulsion may be considered only during the second portion of the hearing, during which the Board is considering length of expulsion and nature of alternative educational opportunity to be offered.

Where administrators presented the case in support of the charges against the student, such administrative staff shall not be present during the deliberations of the Board either on questions of evidence or on the final discipline to be imposed. The Superintendent may, after reviewing the incident with administrators, and reviewing the student's records, make a recommendation to the Board as to the appropriate discipline to be applied.

The Board shall report its final decision in writing to the student, or if such student is a minor, also to the parent(s) or guardian(s), stating the reasons on which the decision is based, and the disciplinary action to be imposed. Said decision shall be based solely on evidence presented at the hearing.
14. For any student who is suspended for the first time and who has never been expelled, the school administration may shorten the length of or waive the suspension period if the student successfully completes an administration-specified program and meets any other administration-required conditions. Such program shall be at no expense to the student or his/her parents/guardians.

IX. Board Policy Regarding Mandatory Expulsions

XI. Notice of Student Expulsion on Cumulative Record

- A. In the case of a student in grades kindergarten to grade eight inclusive expelled for the possession of a firearm or deadly weapon, the Board may expunge from the student's cumulative education record the notice of the conduct for which the student was expelled if the Board determines that the conduct and behavior of the student in the years following the expulsion warrants an expungement.

XII. Change of Residence During Expulsion Proceedings

- A. Student moving into the school district:
1. If a student enrolls in the district while an expulsion hearing is pending in another district, such student shall not be excluded from school pending completion of the expulsion hearing unless an emergency exists, as defined above. The Board shall retain the authority to suspend the student or to conduct its own expulsion hearing.
 2. Where a student enrolls in the district during the period of expulsion from another school district, the Board may adopt the decision of the student expulsion hearing conducted by such other school district. The Board shall make its determination based upon a hearing held by the Board which shall be limited to a determination of whether the conduct which was the basis of the expulsion would also warrant expulsion by the Board.

B. Student moving out of the school district:

Where a student withdraws from school after having been notified that an expulsion hearing is pending, but before a decision has been rendered by the Board, the notice of the pending expulsion hearing shall be included on the student's cumulative record and the Board shall complete the expulsion hearing and render a decision. If the Board subsequently renders a decision to expel the student, a notice of the expulsion shall be included on the student's cumulative record.

XIII. Procedures Governing Suspension and Expulsion of Students Identified as Eligible for Services under the Individuals with Disabilities Education Act ("IDEA")

A. Suspension of IDEA students:

Notwithstanding the foregoing, if the administration suspends a student identified as eligible for services under the IDEA, as reauthorized in 2004, (an "IDEA student") who has engaged in conduct that violated any rule or code of conduct of the school district that applies to all students, the following procedures shall apply:

Students

Conduct and Discipline

XIII. Procedures Governing Suspension and Expulsion of Students Identified as Eligible for Services under the Individuals with Disabilities Education Act (“IDEA”) (continued)

1. The administration shall not later than the date on which the decision to take disciplinary action is made, notify the parents of the student of the decision to suspend and a copy of the special education procedural safeguards must either be hand delivered or sent by mail to the parents on the date that the decision to suspend was made.
2. During the period of suspension, the school district is not required to provide any educational services to the IDEA student beyond that which is provided to all students suspended by the school district.

B. Expulsion and Suspensions that Constitute Changes in Placement for IDEA students:

Notwithstanding any provision to the contrary, if the administration recommends for expulsion an IDEA student who has engaged in conduct that violated any rule or code of conduct of the school district that applies to all students, the procedures described in this section shall apply. The procedures described in this section shall also apply for students whom the administration has suspended in a manner that is considered under the IDEA, as it may be amended from time to time, to be a change in placement:

1. The parents of the student must be notified of the decision to suspend on the date on which the decision to suspend was made, and a copy of the special education procedural safeguards must either be hand-delivered or sent by mail to the parents on the date that the decision to suspend was made.
2. The school district shall immediately convene the IEP team, but in no case later than ten (10) school days after the recommendation for expulsion or the suspension which constitutes a change in placement was made. The relevant members of the student’s IEP team shall consider the relationship between the student’s disability and the behavior that led to the recommendation for expulsion or the suspension which constitutes a change in placement, in order to determine whether the student’s behavior was a direct manifestation of his/her disability.
3. If the IEP team finds that the behavior was a direct manifestation of the student’s disability, the administration shall not proceed with the recommendation for expulsion. The IEP team shall consider the student’s misconduct and revise the IEP to prevent a recurrence of the misconduct and to provide for the safety of other students and staff.
4. If the IEP team finds that the behavior was not a manifestation of the student’s disability, the administration may proceed with the recommended expulsion or suspension that constitutes a change in placement.

Students

Conduct and Discipline

XIII. Procedures Governing Suspension and Expulsion of Students Identified as Eligible for Services under the Individuals with Disabilities Education Act (“IDEA”) (continued)

5. During any period of expulsion, or suspension of greater than ten (10) days per school year, the administration shall provide the student with an alternative education program in accordance with the provisions of the IDEA.
6. The special education records and disciplinary records of the student must be transmitted to the individual(s) who will make the final determination regarding a recommendation for expulsion or a suspension that results in a change in placement.
7. The District has the authority, on a case-by-case basis, to determine whether the student should be removed from the classroom and placed in an alternative setting, pending a manifestation determination.
8. School personnel may remove a disabled student who has violated the conduct code from his/her current placement for up to 10 school days without a hearing.

C. Transfer of IDEA students for Certain Offenses:

School personnel may transfer an IDEA student to an appropriate interim alternative educational setting for not more than forty-five (45) school days if the student:

2. Knowingly possessed or used illegal drugs or sold or solicited the sale of a controlled substance while at school or at a school-sponsored activity; or

A. Expulsion of students identified as eligible for educational accommodations under Section 504 of the Rehabilitation Act of 1973:

Notwithstanding any provision to the contrary, if the administration recommends for expulsion a student identified as eligible for educational accommodations under Section 504 of the Rehabilitation Act of 1973 (a “Section 504 Student”) who has engaged in conduct that violated any rule or code of conduct of the school district that applies to all students, the following procedures shall apply:

1. The parents of the student must be notified of the decision to recommend the student for expulsion.
2. The district shall immediately convene the student’s Section 504 team (504 team), for the purpose of reviewing the relationship between the student’s disability and the behavior that led to the recommendation for expulsion, in order to determine whether the student’s behavior was a manifestation of his/her disability.
3. If the 504 team finds that the behavior was a manifestation of the student’s disability, the administration shall not proceed with the recommendation for expulsion. The 504 team shall consider the student’s misconduct and revise the 504 plan to prevent a recurrence of the misconduct and to provide for the safety of other students and staff.
