Relations Between Public and School Personnel

This policy promotes civility, respect and orderly conduct among Board members, district employees, parents and the public. It is not intended to deprive any individual of his/her right to freedom of expression, but only to maintain to the extent possible and reasonable, a safe, harassment-free environment for students and staff.

Any individual who disrupts or threatens to disrupt normal school or office operations; threatens the health and safety of students or staff; willfully causes property damage; uses loud or offensive language which could provoke a violent reaction; or who has established a continued pattern of unauthorized entry on District property, will be directed to leave the premises by a member of the administrative staff or his/her designee.

If any member of the public uses obscenities or speaks in a demanding, loud, insulting and/or demeaning manner, the staff member to whom the remarks are directed will calmly and politely admonish the speaker to communicate civilly. If the abusing party does not take corrective action, the District employee may terminate the meeting or conversation.
