

# Post-Secondary Graduation Rate Data

Comparative data from the National Student Clearinghouse - <https://nscresearchcenter.org/>

Presentation to  
Region 9 Board of Education,  
April 26, 2016

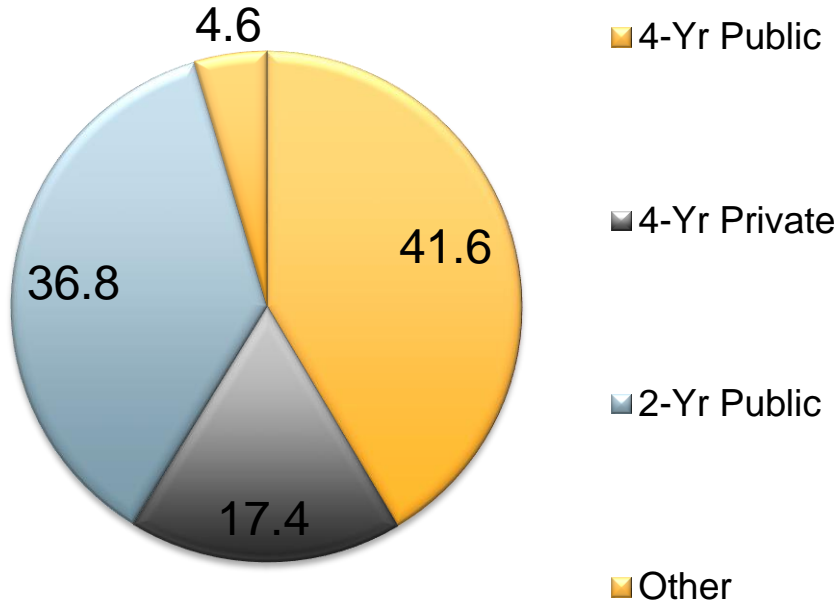

# What?

## Types of Post-Secondary Institutions % of Students Enrolled in College Fall After Graduation

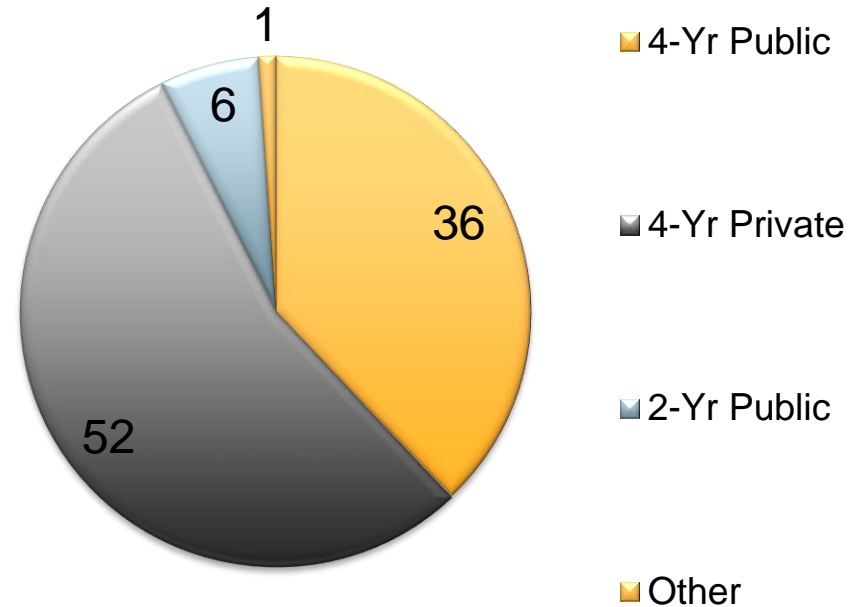

National

Fall, 2008

Fall, 2008

Barlow

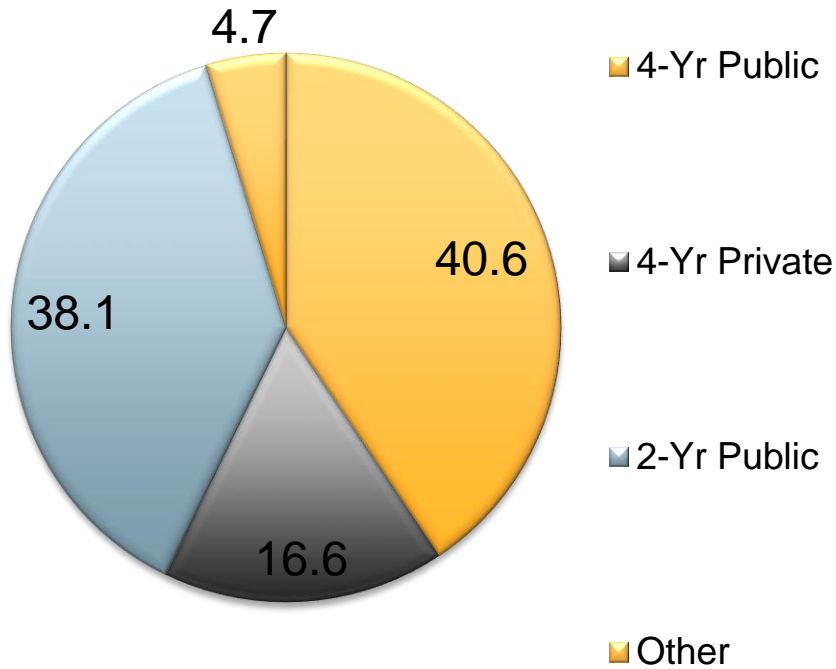

# What?

## Types of Post-Secondary Institutions % of Students Enrolled in College Fall After Graduation

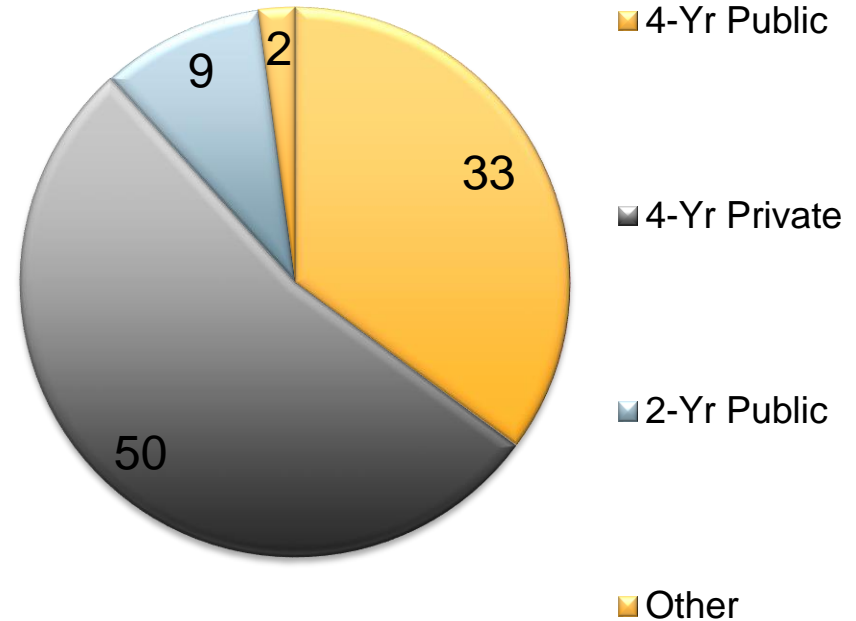

National

Fall, 2009

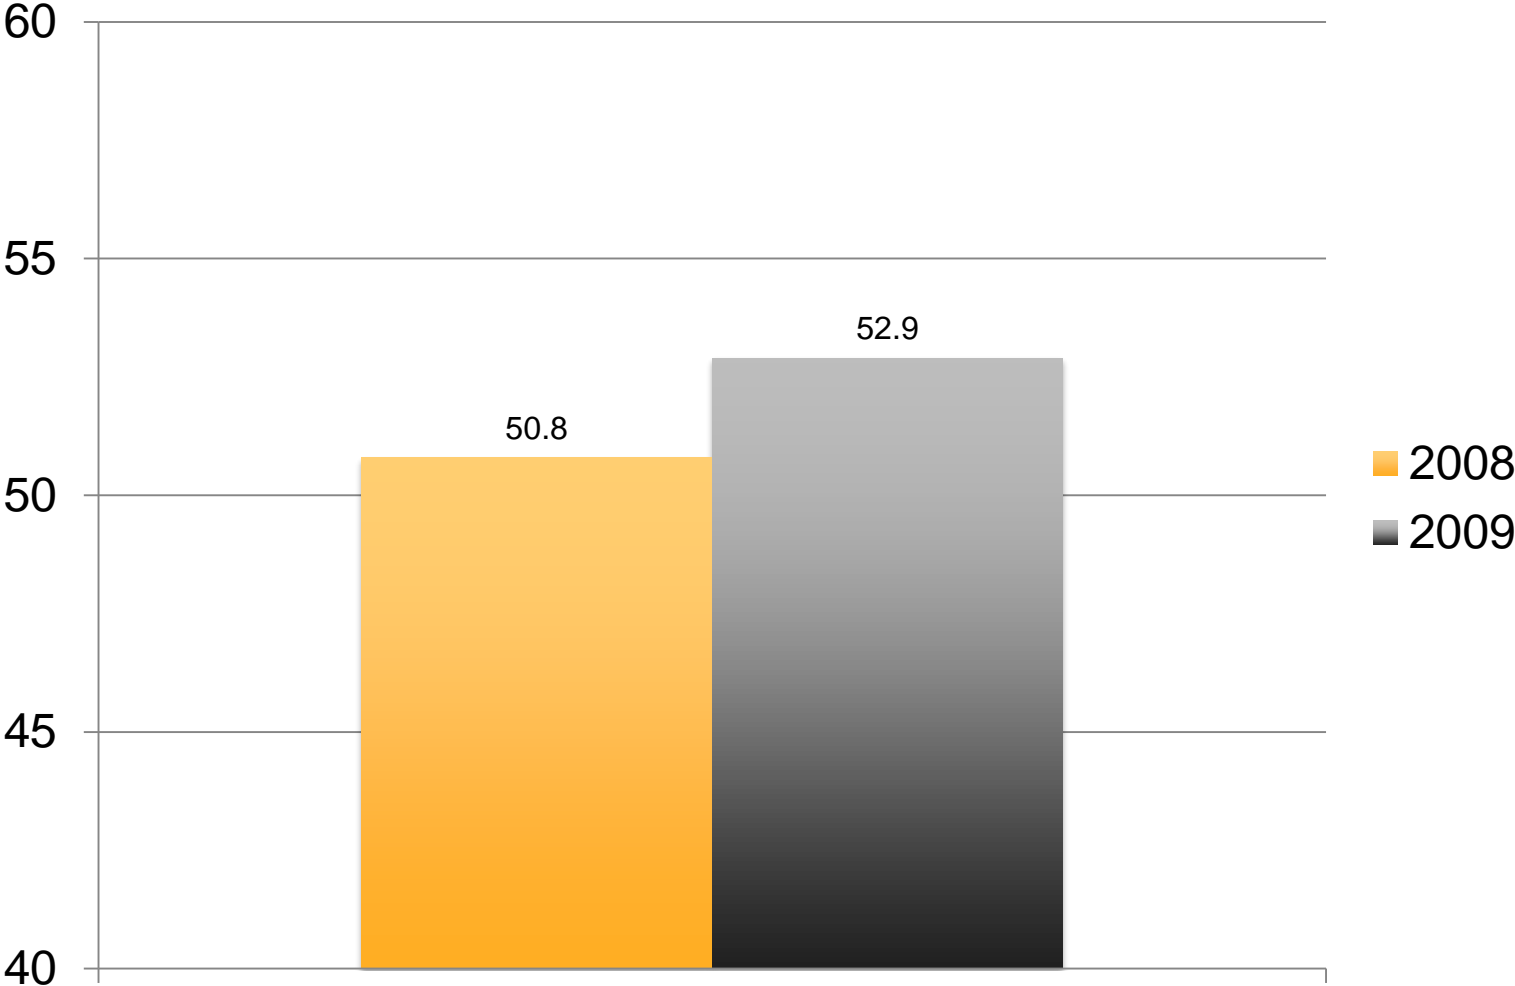

Fall, 2009

Barlow

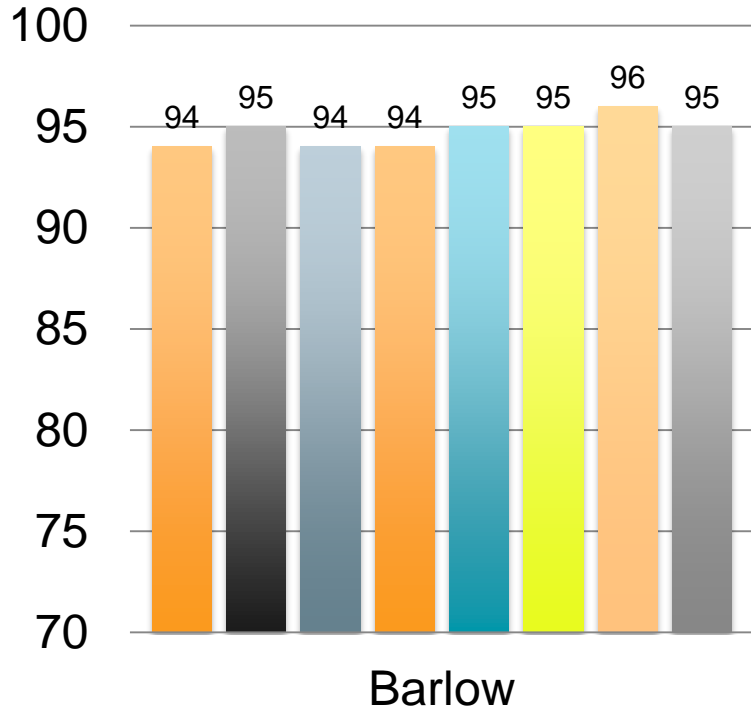

# National % of Students Enrolled in College the fall immediately after high school

# So what?

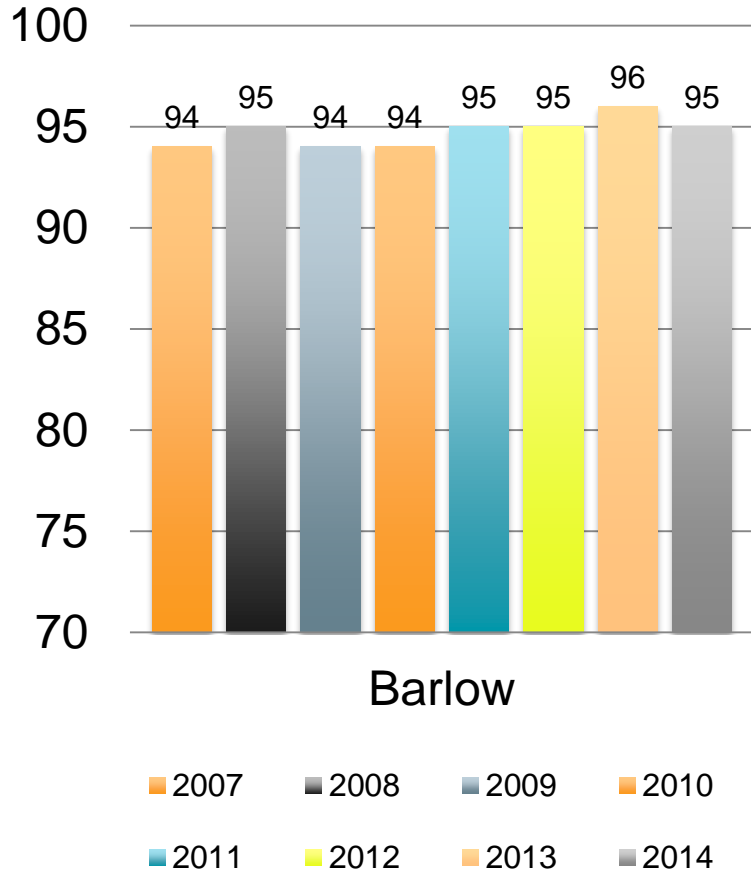

JBHS % of students with acceptances into college the fall immediately after high school

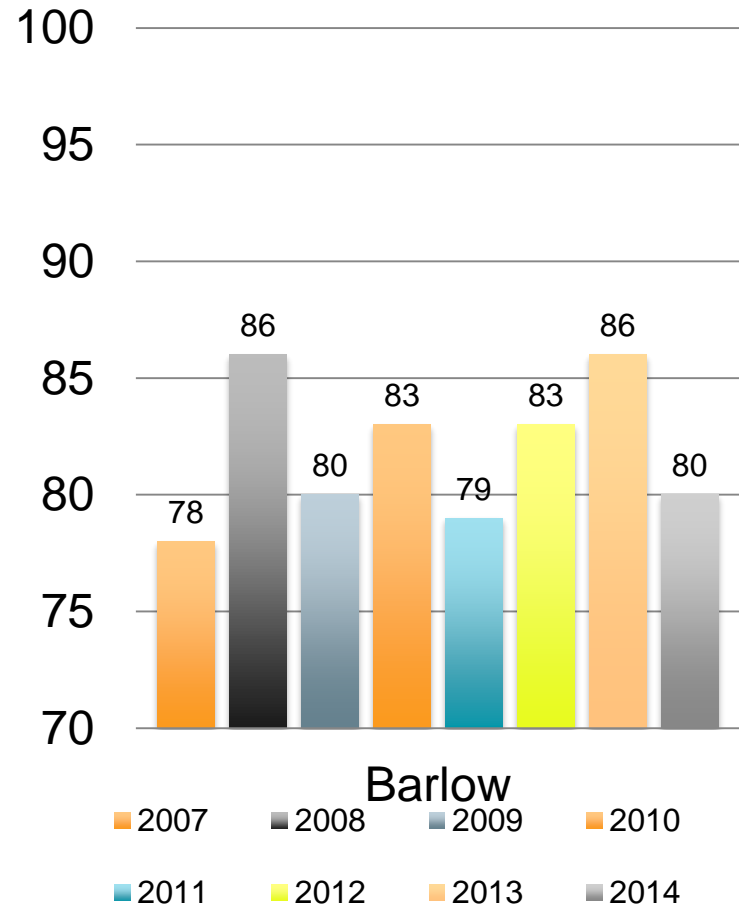

2007 2008 2009 2010  
2011 2012 2013 2014

# So what?

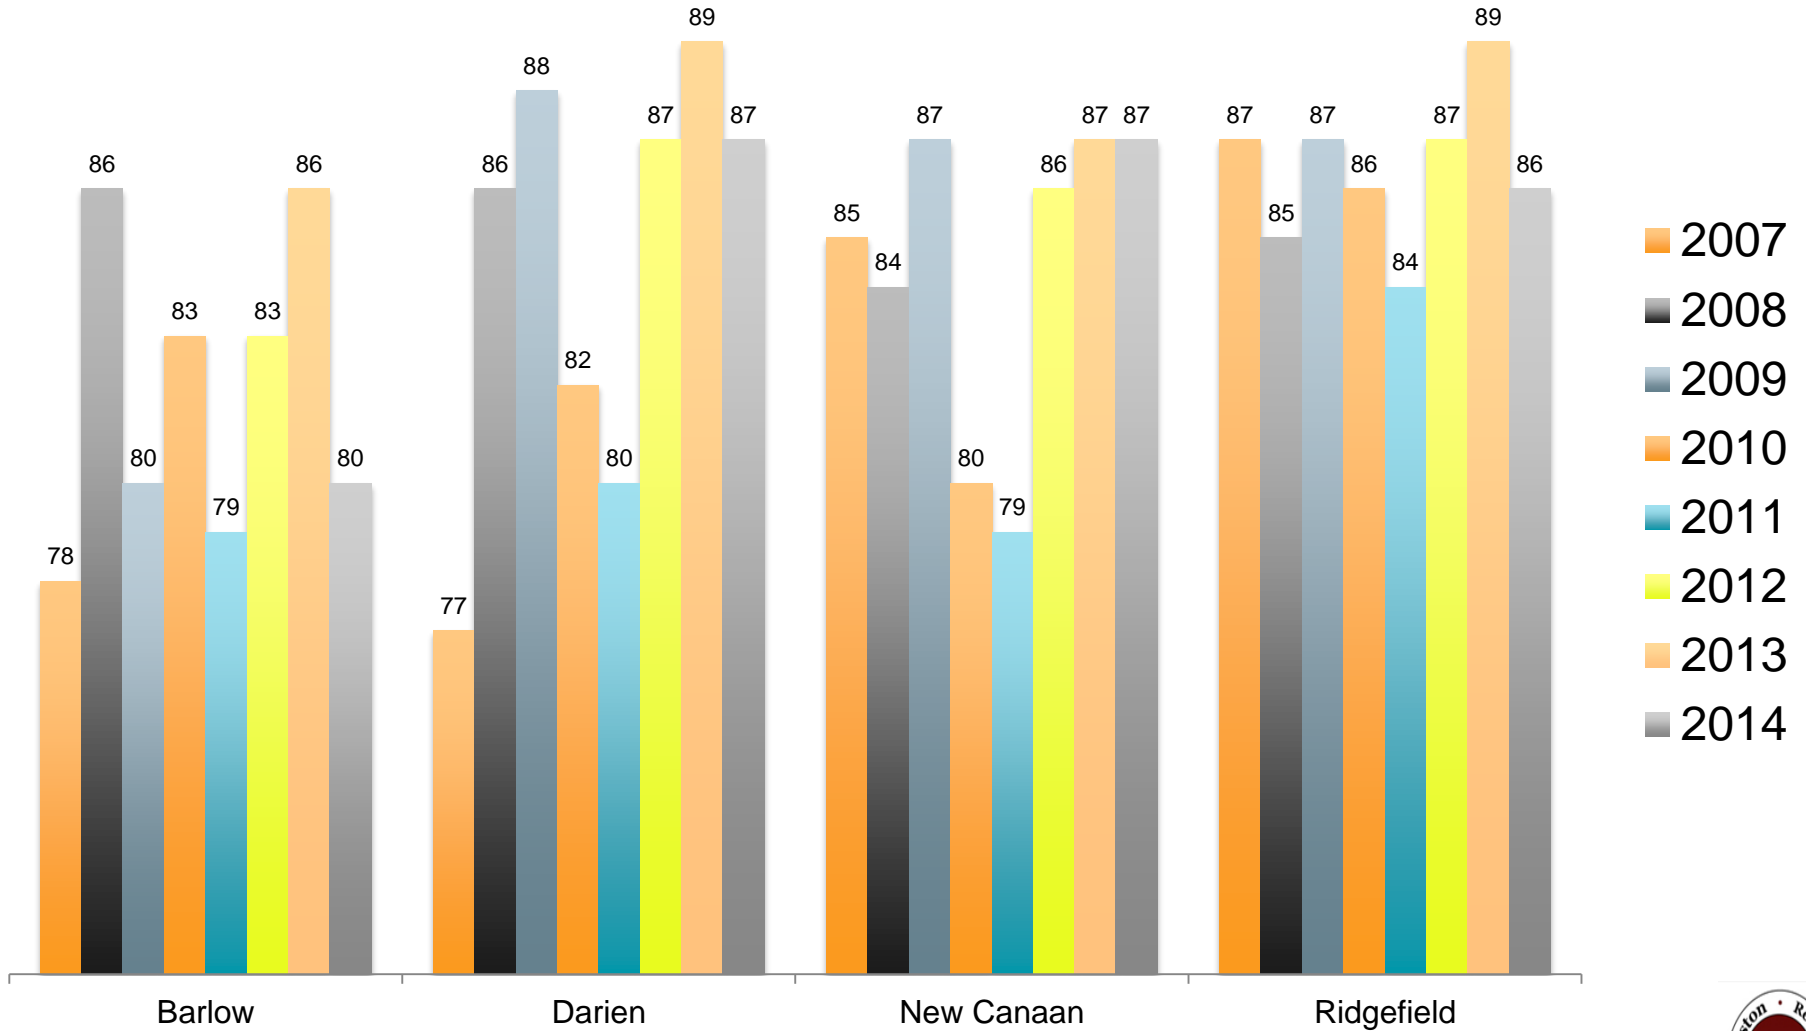

JBHS % of students with **acceptances** into college the fall immediately after high school

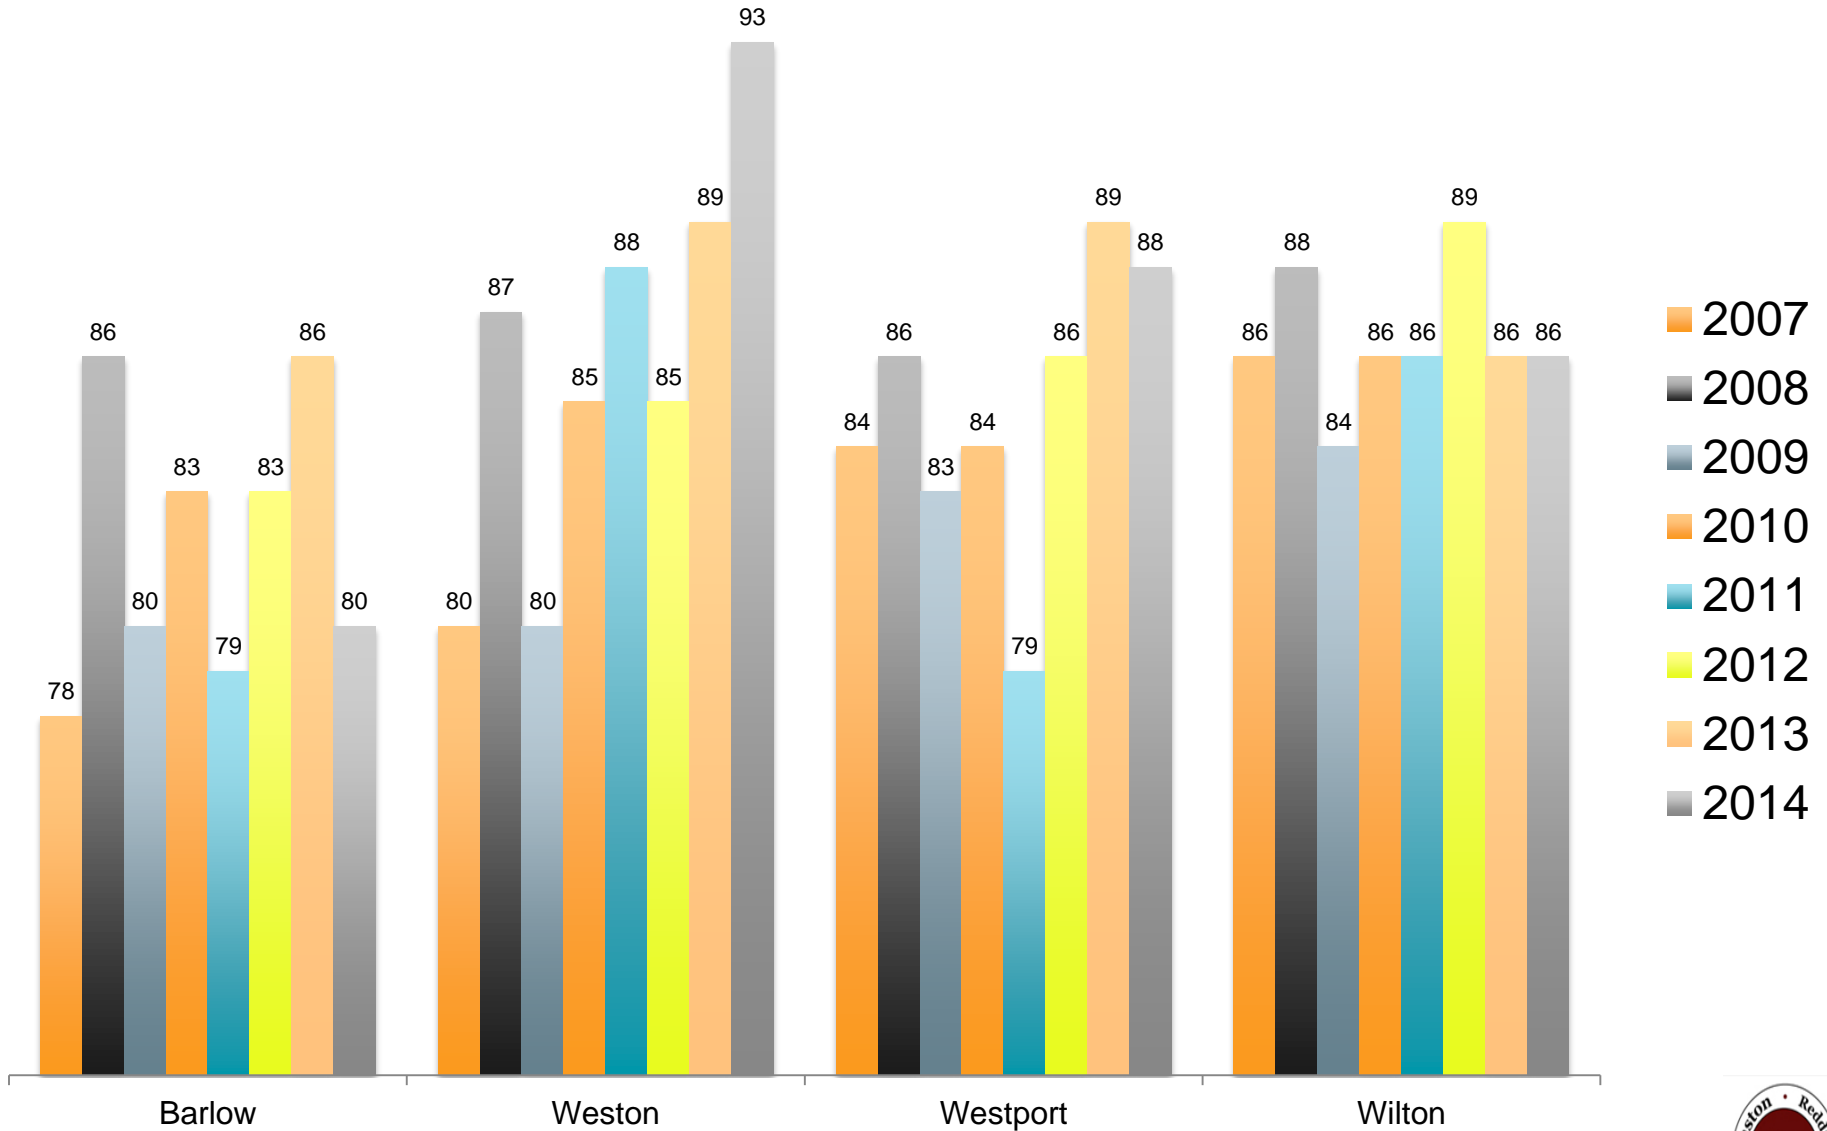

(National Clearinghouse Data Source)  
JBHS % of students enrolled in college the fall immediately after high school

# JBHS to DRG A % of students enrolled in college the fall after high school

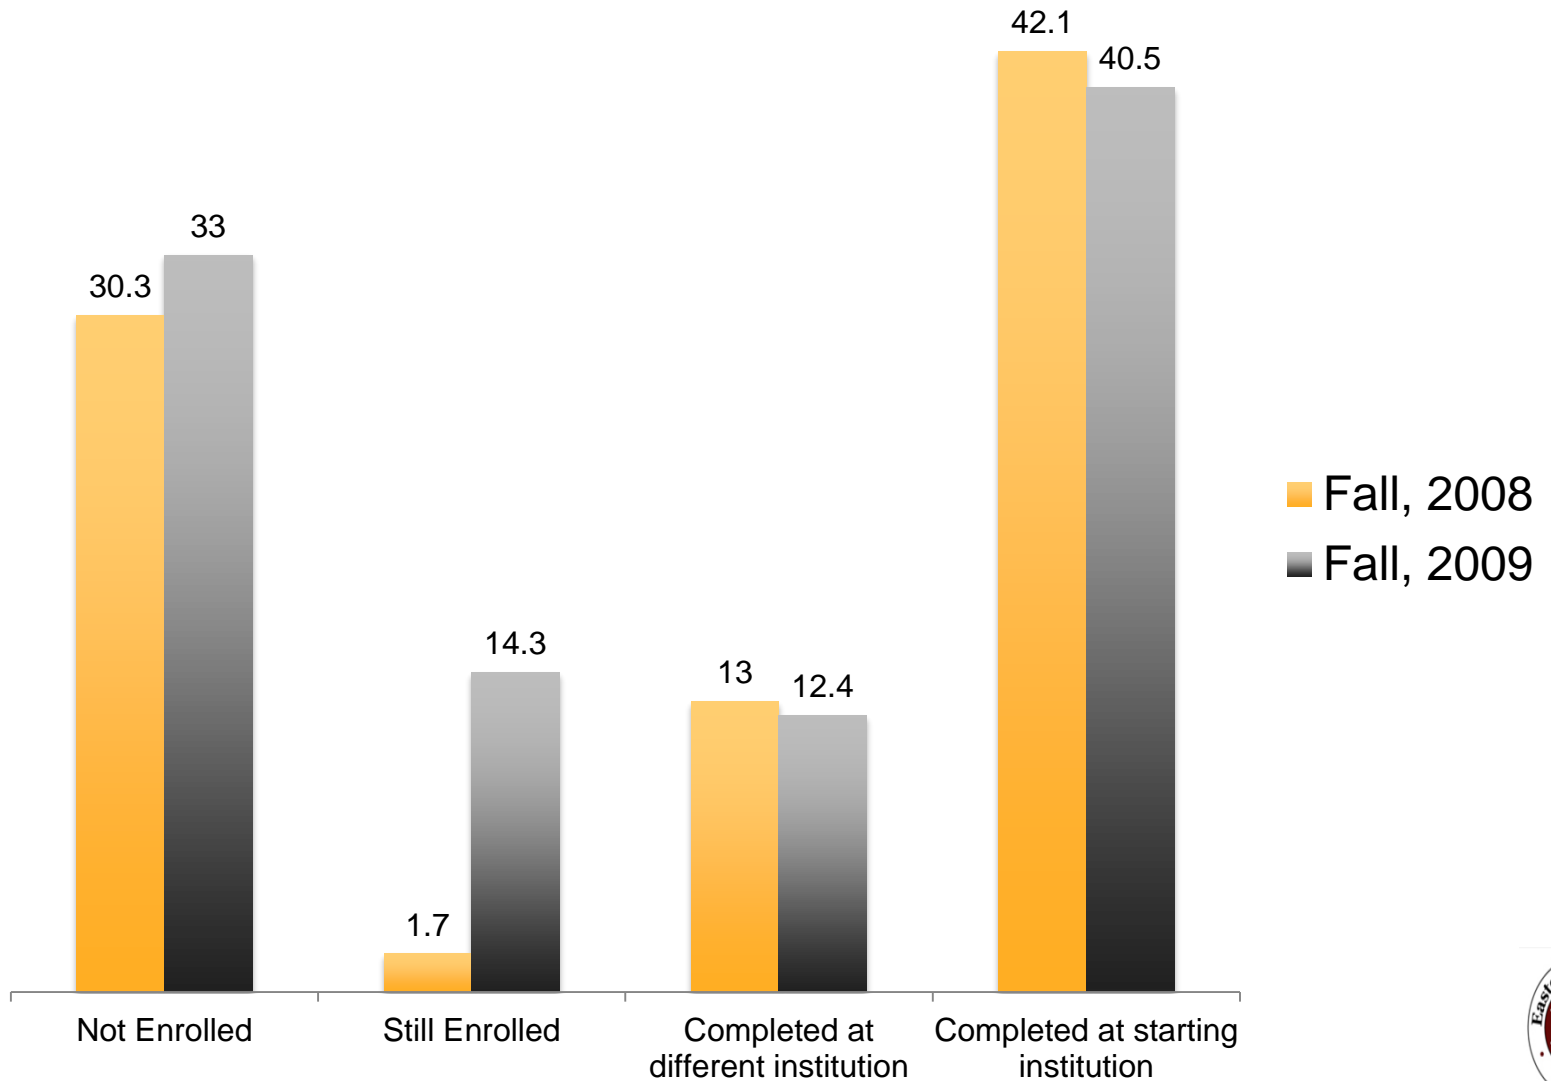

# JBHS to DRG A % of students enrolled in college the fall after high school

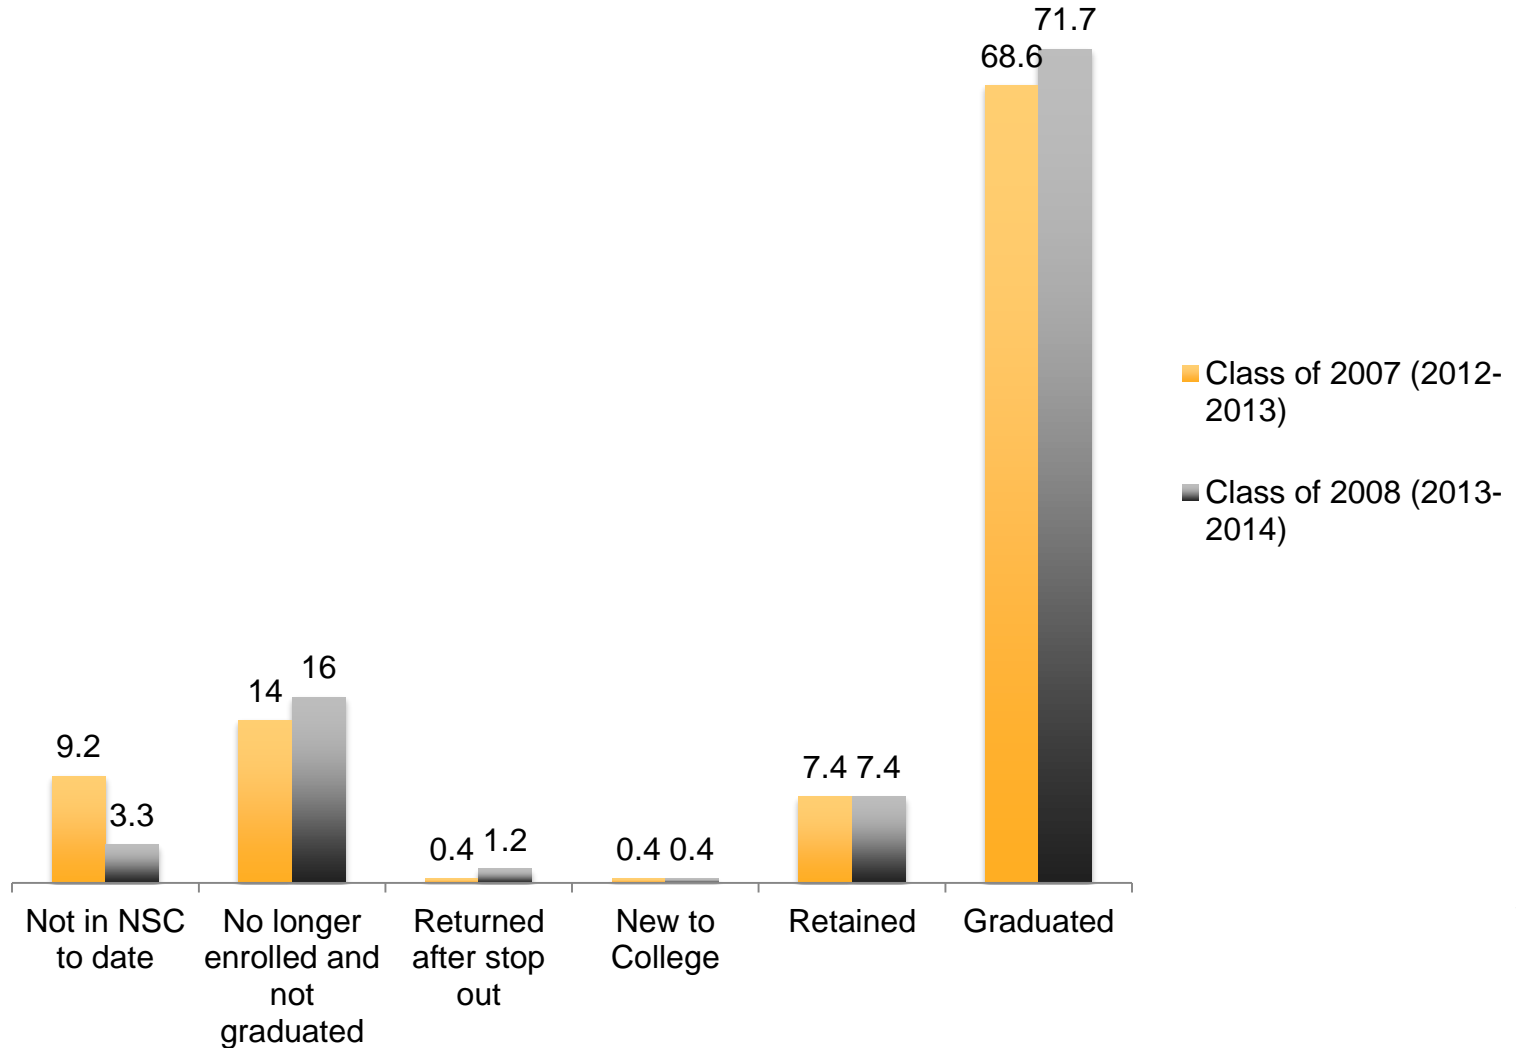

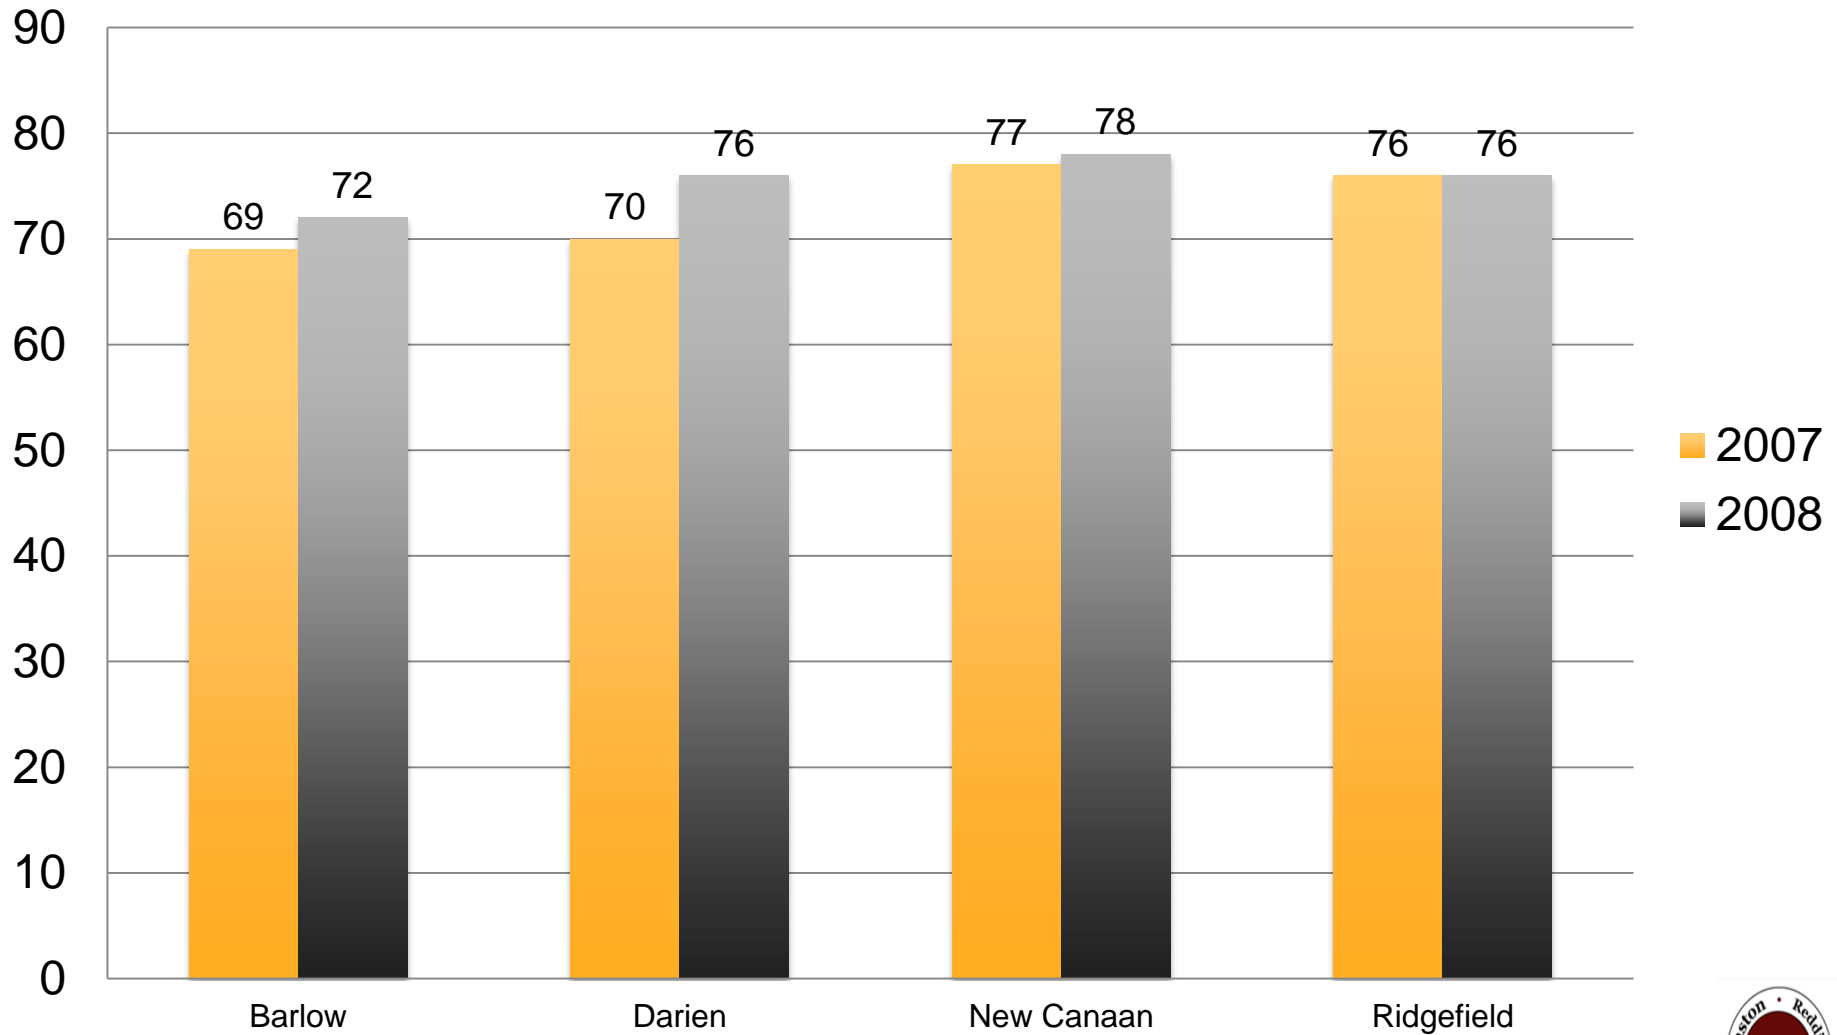

# National Data Six-Year Outcomes

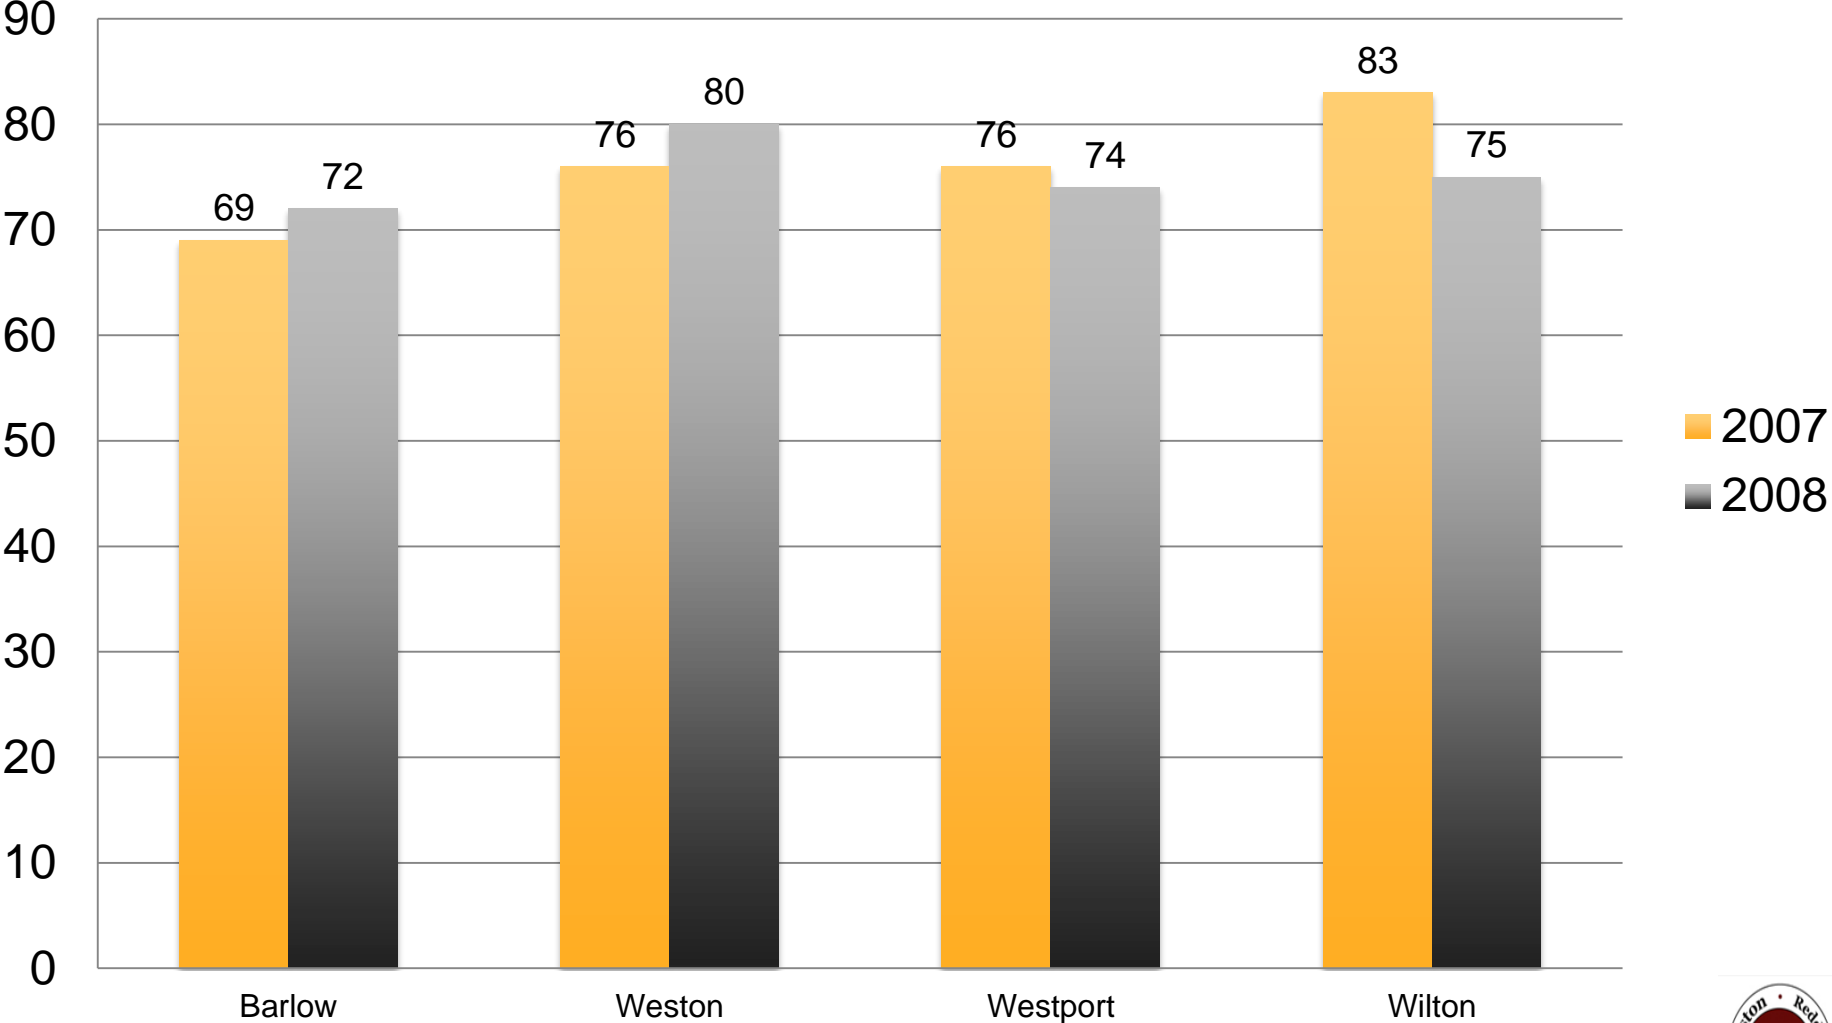

# Barlow Data Six-Years Out

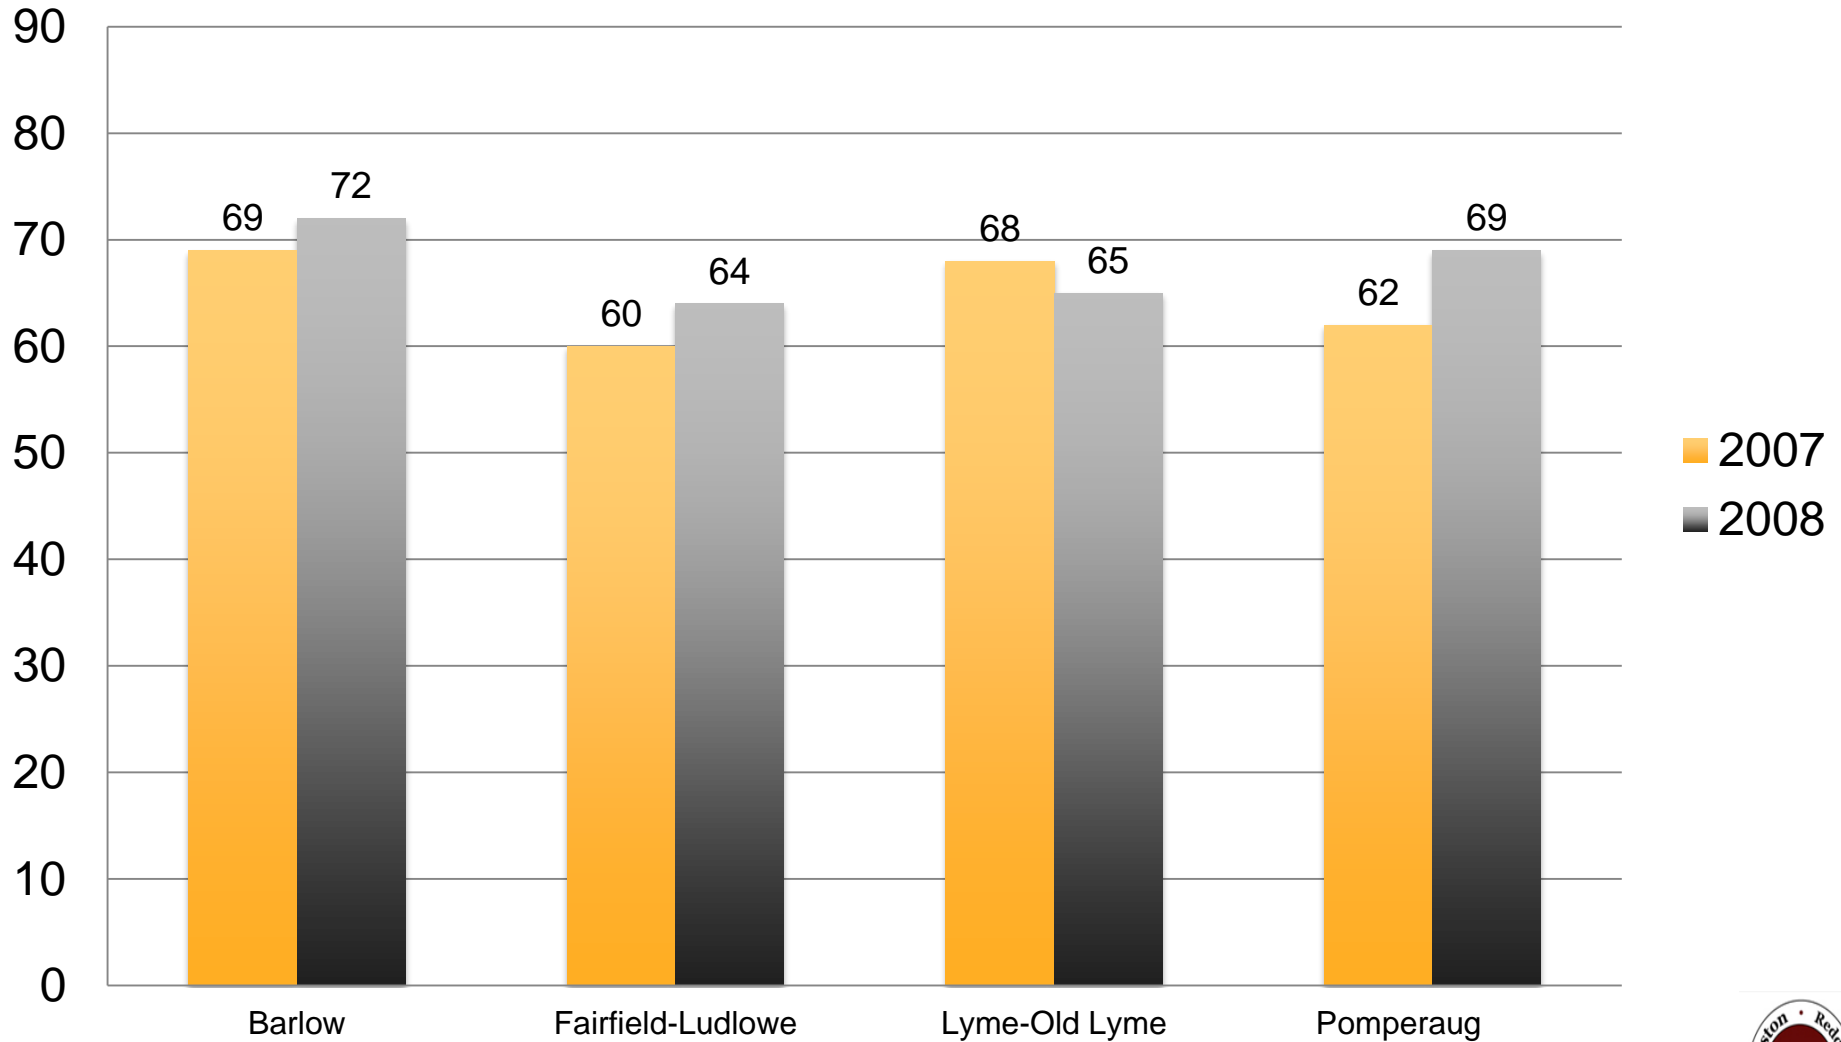

# JBHS to DRG A % of students completing a degree within six years

# JBHS to DRG A % of students completing a degree within six years

# JBHS to other DRGs of similar school systems – students completing a degree within six years

## Now what?

- How do we capture the complexity of the many post-secondary pathways?
- What extent does socio-economic status play into post-secondary pathways?
- What questions should we ask of seniors during counseling exit interviews?
- How can we collect data from students after they have graduated from Barlow?
- Why do students transfer out of institutions?
- How do other schools use National Clearinghouse data?

# END OF PRESENTATION – Thank you.

Learning to care for ourselves, our community, and our world.
