

April 9, 2020

Dear Friends and Families of ER9:

This afternoon the Governor announced an extension of school closure by one month. He had previously set April 20 as a potential return date, but that has now been moved back by one month to March 20th. We should anticipate a further delay into or beyond June.

The State is maintaining information about the Coronavirus at this website: <https://portal.ct.gov/Coronavirus>

I wish you all a few days of rest and regrouping. Happy Passover and Happy Easter to those of you who celebrate.

Tom McMorran
Superintendent
Easton, Redding and Region 9 School Districts
